**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen Sonic for the internet provider. Its very reasonable, friendly and gives us the best customer service. I am a single mother with 3 young children. I have just started working and I can't afford to pay the huge amount to AT &T, Comcast and all big companies. I always needed a home phone but I could not afford to pay the phone service to AT&T. It was too pricy. I don't need to watch cable TV, high speed internet and other luxurious things. My life is very simple. I need descent speed of internet service and house phone. That's I found it from Sonic. They give me what I need. My girls are all under 12 and they need internet to do the homework. They don't watch the cable and we are so busy to watch cable TV.

I really need Sonic service for my household. My ex husband is not working for a year and I have zero support. I am cutting everything else.

Please help me out.
